CERTIFICATION OF FACSIMILE TRANSMISSION

I hereby certify that the following papers are being
transmitted by facsimile to the U.S. Patent and Trademark
Office on September 30, 2003:

Sue Short

Dear Sir:

Responsive to the telephone call to Charles A. Brill, attorney in the above-identified case, that no response was received for an Office Action due June 13, 2003, following is a copy of an Amendment Transmittal Form, an Amendment, and a Two Month Extension of Time that were mailed on August 13, 2003 along with a copy of the return postcard from the PTO date stamped August 18, 2003.

After reviewing a copy of what was mailed to the PTO on August 13, 2003, an incorrect Serial No. was identified, 09/996,990, on all papers except the Amendment Transmittal Form, which should be replaced with the correct Serial No. **09/966,990**. We sincerely regret the confusion this has caused.

Respectfully submitted,

Sue Short
Patent Assistant to Charles A. Brill
